### **WELCOME TO THE CITY OF STONECREST BUILDING DEPARTMENT**

The Building and Plan Review Department is tasked with the issuance of permits, building plan review and inspections for compliance to ordinances, technical codes, and accepted industry practices. The department is also responsible for implementing the environmental compliance and plan review provision of the City of Stonecrest Unified Land Development Code, as well maintaining erosion control standards set forth by the U.S. Army Corps of Engineers, Georgia Department of Natural Resources and the Georgia Soil and Water Conservation Commission.

Presently, the Building and Plan Review Department area of jurisdiction includes all the City of Stonecrest located in Dekalb County.

### **MISSION STATEMENT**

The mission of the Building and Plan Review Department is to promote the general health, safety, and welfare of the citizens of the City of Stonecrest. We strive to ensure quality and excellence in all aspects of the building permitting, inspection and environmental compliance practices for our citizens by processing applications in a timely and efficient manner and by providing Protective building and zoning compliance inspections for all construction projects, while maintaining the highest of standards. We seek to achieve these goals by placing a high importance on customer service, knowledge of all Disciplines of the Building Codes and state standards and the Objective to be fair and considerate in our enforcement of these codes.

Additionally, the department will coordinate the inspection, project monitoring and plan review in the development permitting process, to ensure that the County's natural resources, are protected, Improve the quality of life, protect property values and to provide efficient and courteous service to the citizens of the City of Stonecrest.
