

CONSTRUCTION NOTICE  
**I-285/I-20 EAST INTERCHANGE**  
GEORGIA DOT PI NO. 0013915 | DEKALB COUNTY

## Location:

### Legend:

-  **G-3 New Noise Barrier**
-  **GDOT Right-of-Way**
-  **I-20**

### Overview:

The I-285/I-20 East Interchange project focuses on traffic flow and safety improvements to busy Interchange in DeKalb County and along I-20 to the east.

### When:

Summer 2024

### What to expect:

Construction crews will be present in the designated area along the I-285 & I-20 corridors to commence activities associated with the installation of new or rehabilitation of existing noise barriers. These tasks may include, but are not restricted to, clearing, grading, concrete placement, soundwall installation, and painting. Consequently, intermittent noise stemming from these operations and associated construction traffic and equipment can be expected.
