Also, it was Ms Brenda Whitaker and not Brenda Whit who made a public comment.

Motion – made by Councilmember Tammy Grimes to approve the September 26, 2022 meeting minutes with said adjustments. Seconded by Councilmember Rob Turner.

Motion passed unanimously.

Mayor Pro Tem George Turner stated that Council was made aware of two requests by applicants to either withdraw their application or defer it. Ray White, Planning and Zoning Director, stated that the applicant for RZ-22-005 3266 and 7407 Hayden Quarry Road requested a withdrawal and the applicant for RZ-22-007 3310, 3320, 3330 Turner Hill requested a deferral. Mayor Pro Tem stated because he thought some people were in attendance solely for those hearings, he wanted to let them know that Council would probably not be taking any action on the mentioned items.

Mayor Jazzmin Cobble asked the City's Attorney Winston Denmark if Council should proceed with the Public Hearing since it was advertised and make a decision on the action after or if Council is taking action before the Public Hearing. Alicia Thompson, City Attorney, stated the Public Hearing does not have to happen tonight as long as it happens at some point in the process, before it is approved or denied, with the exception of the withdrawal. She stated once it is withdrawn, that would be the end.

VII. PUBLIC COMMENTS

The meeting will be conducted in person. Citizens may also submit public comments via email to cityclerk@stonecrestga.gov by 2 pm on the day of the meeting to be read by the City Clerk.

There is a two (2) minute time limit for each speaker submitting or reading a public comment.

support of the Winery. Asked that developers be held to the fire and not be allowed to build “ghetto style” homes.

Malaika Wells – Request to return to 3-minute public comments. Why has there been no response to the emailed statement? Who told the City Clerk’s office to charge up to \$6,000 for the Open Record Request? How does not responding to this response build trust? How can the URA be comprised of only Mayor and Council and how was Mayor Cobble able to serve on the URA without interruption?

Dave Marcus – Tree Preservation Ordinance needed in the city. Council needs to declare a moratorium on rezoning for new developments until there is a decent Tree ordinance or a design standard.

Mayor Pro Tem George Turner addresses past public comments made by citizens and answered some questions presented to council at the last meeting.

VIII. PUBLIC HEARINGS

Citizens wishing to participate and comment during the public hearing portion of the meeting may comment in person. He asked if security seen at the meeting is private detail or city detail and if they would also be present at events and parks. He recommended an arborist position to help facilitate a new tree ordinance, with hopes of creating design standards and closing the loop of some of the city’s ordinances. He

also inquired about \$200,000 or so in the IT budget and asked what the vision is for those funds. He inquired about the city of giving money directly to the school system without some measures of accountability and also mentioned the Dexter Mosley Act. Mayor Cobble explained that per the Charter, the district expense cannot be increased, and it also states that each council member gets \$3,000 per District and the Mayor gets \$5,000 for expenses. She added that Council initiatives and the Sponsorship lines can be shifted but the district expense line cannot.

Councilmember Tara Graves asked about the Security line and funding. Mayor Jazzmin Cobble explained that there was not a budget for security in 2022 and what is listed are actuals to date. There was discussion pertaining to the best way to regulate the number of rental properties versus ownership within the city.
