

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit www.gacities.com/lhforms or call 1-855-397-9267. Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	<u>In-Network</u> : \$5,000.00 individual /\$12,500.00 family <u>Out-of-Network</u> : \$10,000.00 individual /\$25,000.00 family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	Yes. The <u>deductible</u> doesn't apply to in-network <u>preventive services</u> , prescription drugs, out-of-network <u>preventive services</u> through age 5, or hospice care.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> and a <u>coinsurance</u> may apply. For example, this plan covers certain <u>preventive services</u> without cost-sharing and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	<u>In-Network (individual/family)</u> : Medical: \$7,000.00/\$14,000.00 Rx: \$1,600.00/\$3,200.00 <u>Out-of-Network (individual/family)</u> : Medical \$13,500.00/\$27,000.00 Rx \$3,200.00/\$6,400.00	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	<u>Premiums</u> , <u>balance-billed charges</u> by <u>out-of-network providers</u> , and	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .

	health care this <u>plan</u> doesn't cover.	
Will you pay less if you use a <u>network provider</u>?	Yes. See www.Anthem.com or call 1-855-397-9267 for a list of in-network providers.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your network provider might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u>?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

 All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
